It was a celebration of the longstanding relationships that have been cultivated over time and an opportunity to forge new connections that will undoubtedly contribute to the continued success and growth of the maritime community. The highlight of the night was the lively entertainment, the Performance of the Jazz Band MADS and later in the night the live performance of Ekeinos & Ekeinos Music Group. As the New Season Begins, Among the plenty plans of the company, a key focus lies on the strategic expansion and growth within both the maritime sector and the tourism industry. Among Atlantides

Group Acquisitions will be two distinguished hotels—one located in the central city of Piraeus and the other one located in Zakynthos Island. This strategic expansion signifies a step forward in its presence within the hospitality sector. This dual-focused approach reflects the company's commitment to diversification, resilience. By nurturing growth in these pivotal sectors, the company contributes to the economic development of the regions it operates. As the plans unfold, the company is excited about the prospects of making meaningful contributions to the maritime and tourism industries.
