

CMA D. ARGOUEDELIS & CO S.A. Acquired 3 New ISO Certificates from the American Bureau of Shipping (ABS)!

Auditing and certification as per ISO 9001:2015, 14001:2015 & 45001:2018 was carried out by ABS Quality Evaluations, a highly respectable organization and member of the international American Bureau of Shipping Group (ABS).

Recognized globally as a leader in certified performance and business assurance solutions, ABS QE provides accredited management system certification audits, training and supply chain assessment services in over 40 countries.

- ✓ **ISO 9001:2015** specifies the requirements for a quality management system.
- ✓ **ISO 14001:2015** specifies the requirements for an environmental management system that an organization can use to enhance its environmental performance.
- ✓ **ISO 45001:2018** provides a global framework to improve employee safety, reduce workplace risks and create better, safer working conditions.

The company is very proud of this success and in particular of all the team members involved in achieving this excellent result! This is taken as further proof to the competence, efficiency, good practices and experience of CMA and its staff members, showing how we are able to move forward within the Marine & Industry Automation world, adapting to new standards and regulations and successfully achieving our goals.
